Any and all rights in the Software not expressly granted to You as part of the License hereunder are reserved in all respects by Telerik.

This is a license agreement and not an agreement for sale.

1. Software License

Subject to the terms of this Agreement, Telerik hereby grants to You the following limited, non-exclusive, non-transferable licenses (the “Licenses”) to use the Telerik computer software identified as Kendo UI Web and any updates, upgrades, modifications and error corrections thereto provided to You by Telerik (the “Programs”) and any accompanying documentation (the “Documentation” and, together with the Programs, the “Software”) as set forth below.

1.1 Commercial License with Subscription and Standard Support

1.1.1 License Grant. If You purchase a Commercial License with Subscription and Standard Support, Your Licensed Developers may use the Software in source and minified form in the development of Your Integrated Products.

For purposes of this Agreement:

“Your Integrated Products” are limited to those software applications which: (i) are developed by Your Licensed Developers; (ii) add substantial functionality beyond the functionality provided by the incorporated components of the Software; and (iii) are not commercial alternatives for, or competitive in the marketplace with, the Software or any components of the Software.

“Licensed Developers” (i) are limited to the number of Your employees or contractors authorized by You to use the Software to develop software specifically for You and (ii) must correspond to the maximum number of seats You have purchased from Telerik hereunder. This means that, at any given time, the number of Licensed Developers cannot exceed the number of seats that You have purchased from Telerik and for which you have paid Telerik all applicable License Fees pursuant to this Agreement. The Software is in “use” on a computer when it is loaded into temporary memory (i.e. RAM) or installed into permanent memory (e.g. hard disk or other storage device). Your Licensed Developers may install the Software on multiple machines, so long as the Software is not being used simultaneously for development purposes at any given time by more Licensed Developers than You have Seats.

1.1.2 Testing and Building License. You may also use the Software in the testing and building of Your Integrated Products. This license is not limited to a number of seats.

1.1.3 Support. As part of Your Commercial License with Subscription and Standard Support You are entitled to the “Commercial” Support Package as described in greater detail here: <http://www.kendoui.com/support-options.aspx> subject to the limitations and restrictions described in the following Fair Usage Policy.

1.1.3.1 Support Package Fair Usage Policy. Telerik may limit or terminate Your access to any or all of the support services available under the Commercial Support Package if your use of the support services is determined by Telerik, in its sole and reasonable discretion, to be excessive.

1.1.3.2 In no event will Telerik provide support of any kind to end-users of Your Integrated Products.

1.1.4 Updates. For one (1) year from the date on which you purchase the License for the Software, You will be eligible to receive all major updates and minor updates for the version of the Software that you license hereunder and source code for the Software. Updates replace and/or supplement (and may disable) the version of the Software that formed the basis for your eligibility for the update. You may use the resulting updated Software only in accordance with the terms of this License.

1.1.5 Source Code. The Software's source code is provided to You so that you can create modifications under the terms of this Agreement.

1.1.5.1 While Telerik does not claim any ownership rights in Your Integrated Products, any modifications You develop will be the exclusive property of Telerik, and You agree to and hereby do assign all right, title and interest in and to such modifications and all rights associated therewith to Telerik.

1.1.5.2 You will be entitled to use modifications of the Software's source code developed by You under the terms of this Agreement and Telerik hereby grants You a license to use such modifications pursuant to Section 1.1.

1.1.5.3 Except as provided for in Section 2.2 of this Agreement, under no circumstances may any portion of the Software's source code or any modified version of the source code be distributed, disclosed or otherwise made available to any third party.

1.1.5.4 Telerik DOES NOT provide technical support for any source code that has been modified by any party other than Telerik.

1.1.5.5 The Software's source code is provided "as is", without warranty of any kind. Refunds are not available for any licenses that include a right to receive source code.

2. License Options for Redistribution

2.1 Redistribution under Commercial License. If you have purchased a Commercial License, You may distribute the Programs as embedded in Your Integrated Products to Your end-users only pursuant to an end-user license that meets the requirements of this Section. You are not permitted to distribute the Software pursuant to this Section: as a standalone product; or as a part of any product other than Your Integrated Product. Your end-user license agreement must: impose the limitations set forth in this paragraph on Your end-users; prohibit distribution of the Software by your end-users; limit the liability of Your licensors or suppliers to the maximum extent permitted by applicable law; and prohibit any attempt to disassemble the code, or attempt in any manner to reconstruct, discover, reuse or modify any source code or underlying algorithms of the Software. For avoidance of doubt, Your end users are not permitted to use the Software, or any portions thereof, for software development or application development purposes unless they also purchase a separate commercial license from Telerik for each of the users.

2.2 Redistribution under Open Source License. You may also distribute Your Integrated Product and the Software embedded in such Integrated Product under GPL v3.0 (<http://www.opensource.org/licenses/GPL-3.0>) In the event that You distribute Your Integrated Products, including the Software, under the GPL v3.0, the source code for the Software embedded in Your Integrated Product may be distributed in compliance with Your obligations under that license. If

you distribute Your Integrated Product under any other license, you may not distribute any part of the Software in source code form.

3. No Trademark License

You may not use the Telerik product names, logos or trademarks to market Your Integrated Product.

4. Delivery

Telerik shall make a master copy of the Software available for download by Licensee in electronic files only.

5. Term and Termination

This Agreement and the License granted hereunder shall continue until terminated in accordance with this Section. Unless otherwise prohibited by law, and without prejudice to Telerik's other rights or remedies, Telerik shall have the right to terminate this Agreement and the License granted hereunder immediately if You breach any of the material terms of this Agreement, and You fail to cure such material breach within thirty (30) days of receipt of notice from Telerik. Upon termination of this Agreement, all Licenses granted to You hereunder shall terminate automatically and You shall immediately cease use and distribution of the Software; provided, however, that any sublicenses granted to Your Authorized End-Users in accordance with Section 2 shall survive such termination. You must also destroy (i) all copies of the Software not integrated into a live, functioning instance(s) of Your Integrated Product(s) already installed, implemented and deployed for your Authorized End-User(s), and (ii) any product and company logos provided by Telerik in connection with this Agreement.

6. Product Discontinuance

Telerik reserves the right to discontinue the Software or any component of the Software, whether offered as a standalone product or solely as a component, at any time. However, Telerik is obligated to provide support in accordance with the terms set forth in this Agreement for all discontinued Software or components for a period of 1 (one) year after the date of discontinuance.

7. Intellectual Property

All title and ownership rights in and to the Software (including but not limited to any images, photographs, animations, video, audio, music, text embedded in the Software), the intellectual property embodied in the Software, and any trademarks or service marks of Telerik that are used in connection with the Software are and shall at all times remain exclusively owned by Telerik and its licensors. All title and intellectual property rights in and to the content that may be accessed through use of the Software is the property of the respective content owner and may be protected by applicable copyright or other intellectual property laws and treaties. This limited warranty shall not apply to any error or failure resulting from (i) machine error, (ii) Your failure to follow operating instructions, (iii) negligence or accident, or (iv) modifications to the Software by any person or entity other than Telerik. In the event of a breach of warranty, Your sole and exclusive remedy and Telerik's sole and exclusive obligation, is repair of all or any portion of the Software. If such remedy fails of its essential purpose, Licensee's sole remedy and Telerik's maximum liability shall be a refund of the paid purchase price for the defective Software only. This limited warranty is only valid if Telerik receives written notice of breach of warranty no later than thirty (30) days after the warranty period expires. EXCEPT FOR THE EXPRESS WARRANTIES SET FORTH IN THIS SECTION 8, TELERIK DISCLAIMS ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING WITHOUT LIMITATION THE IMPLIED WARRANTIES OF TITLE, NON-INFRINGEMENT, MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

9. Limitation of Liability

To the maximum extent permitted by applicable law, in no event will Telerik be liable for any indirect, special, incidental, or consequential damages arising out of the use of or inability to use the Software, including, without limitation, damages for loss of goodwill, work stoppage, computer failure or malfunction, or any and all other commercial damages or losses, even if advised of the possibility thereof, and regardless of the legal or equitable theory (contract, tort or otherwise) upon which the claim is based. In any case, Telerik's entire liability under any provision of this agreement shall not exceed in the aggregate the sum of the license fees Licensee paid to Telerik for the Software giving rise to such damages, notwithstanding any failure of essential purpose of any limited remedy. Some jurisdictions do not allow the exclusion or limitation of incidental or consequential damages, so this exclusion and limitation may not be applicable. Telerik is not responsible for any liability arising out of content provided by Licensee or a third party that is accessed through the Software and/or any material linked through such content. Any data included in the Software upon shipment from Telerik is for testing use only and Telerik hereby disclaims any and all liability arising therefrom.

Each party's obligations under this Section 11 shall apply at all times during the term of this Agreement and for two (2) years following termination of this Agreement.

12. Governing Law

If any dispute, controversy, or claim cannot be resolved by such good faith discussion between the parties, then it shall be submitted for resolution to a state or Federal court or competent jurisdiction in Boston, Massachusetts, USA, and the parties hereby agree to submit to the jurisdiction and venue of such court. Neither the Uniform Computer Information Transactions Act and the United Nations Convention nor the International Sale of Goods shall not apply to this Agreement. If any provision of this Agreement is to be held unenforceable, such holding will not affect the validity of the other provisions hereof. Failure of a party to enforce any provision of this Agreement shall not constitute or be construed as a waiver of such provision or of the right to enforce such provision.

13. Entire Agreement

This Agreement sets forth our entire agreement with respect to the Software and supersedes any prior or contemporaneous communications regarding the Software. You agree that You are not relying on any representation or obligation other than those set forth in this Agreement.
